VOLUNTEERING

2019

HITEX Technology Event

A tech event featuring conferences, gaming, and tech company showcases, was a thrilling experience. I was part of organizing team and coordinated the event, registering visitors.

2019

Rwanga Fras

I was part of organizing team the event and handled visitor registrations. Witnessing the enthusiasm of young job seekers and being part of an initiative to empower them was truly inspiring.

2017

TechEye First Technology Event

Kurdistan's first technology event featuring gaming, tech companies, and a contest for tech projects, was a fantastic experience. I was part of the organizing and coordinating team for the event, while also contributing to the translation team.
